Cigniti Technologies appoints Srinath Batni as Independent Director on its Board
City Air News

Mr.Srinath Batni, global IT industry veteran, has joined the board of Cigniti Technologies Ltd as an Independent Director. Mr.Batni was the Head of Delivery Excellence at Infosys and served on its board as a whole-time Director from May 2000 to July 31, 2014.

On this momentous occasion, Mr.C V Subramanyam, Chairman and Managing Director, Cigniti, said “Srinath’s rich experience in Delivery excellence will help us to excel in delivering projects efficiently, enhance client satisfaction, and bring in innovation. His advice will help the Cigniti Management drive further business growth. We firmly believe that his association, inputs, and strategic direction will help us further accelerate our journey towards becoming the world’s largest and most respected independent software testing services company.”

Commenting on this occasion, Mr. SrinathBatni said “As businesses are getting digitally transformed, the imminent need of delivering quality and agility together has become vital. The IP-led Quality Engineering approach of Cigniti ensures global enterprises and independent software vendors can stay ahead in the market leveraging the power of automated and intelligent software quality engineering”. He further added that “I am very happy to be a part of this exciting journey.”

Mr. SrinathBatni is a Co-Founder of Axilor Ventures. Mr. Batni served as Group Co-Head of Worldwide Customer Delivery at Infosys Limited. He served as Head-Delivery (GCARE) and Head of Strategic Groups & Co-Customer Delivery at Infosys Limited. From 1996 to 2000, he served as Senior Vice President and Head-Retail and Telecommunications Business Unit of Infosys Limited. He has been an Independent Director at AXISCADES Engineering Technologies Limited since August 08, 2014. He serves as Director of Infosys Technologies China (Shanghai) and Infosys Technologies Australia Pty Limited, subsidiaries of Infosys Technologies Ltd. Mr. Batni served as Whole-Time Director of Infosys Limited from May 2000 to July 31, 2014. Mr. Batni received a B.E. in Mechanical Engineering from Mysore University and an M.E. in Mechanical Engineering from the Indian Institute of Science, Bangalore.

Mr. Srinath Batni, global IT industry veteran, has joined the board of Cigniti Technologies Ltd. as an Independent Director. Mr. Batni was the Head of Delivery Excellence at Infosys and served on its board as a whole-time Director from May 2000 to July 31, 2014.

On this momentous occasion, Mr. C V Subramanyam, Chairman and Managing Director, Cigniti, said “Srinath’s rich experience in Delivery excellence will help us to excel in delivering projects efficiently, enhance client satisfaction, and bring in innovation. His advice will help the Cigniti Management drive further business growth. We firmly believe that his association, inputs, and strategic direction will help us further accelerate our journey towards becoming the world’s largest and most respected independent software testing services company.”

Commenting on this occasion, Mr. Srinath Batni said “As businesses are getting digitally transformed, the imminent need of delivering quality and agility together has become vital. The IP-led Quality Engineering approach of Cigniti ensures global enterprises and independent software vendors can stay ahead in the market leveraging the power of automated and intelligent software quality engineering”. He further added that “I am very happy to be a part of this exciting journey.”

Mr. Srinath Batni is a Co-Founder of Axilor Ventures. Mr. Batni served as Group Co-Head of Worldwide Customer Delivery at Infosys Limited. He served as Head-Delivery (GCARE) and Head of Strategic Groups & Co-Customer Delivery at Infosys Limited. From 1996 to 2000, he served as Senior Vice President and Head-Retail and Telecommunications Business Unit of Infosys Limited. He has been an Independent Director at AXISCADES Engineering Technologies Limited since August 08, 2014. He serves as Director of Infosys Technologies China (Shanghai) and Infosys Technologies Australia Pty Limited, subsidiaries of Infosys Technologies Ltd. Mr. Batni served as Whole-Time Director of Infosys Limited from May 2000 to July 31, 2014. Mr. Batni received a B.E. in Mechanical Engineering from Mysore University and an M.E. in Mechanical Engineering from the Indian Institute of Science, Bangalore.
