Philadelphia Alliance for Capital and Technologies (PACT), an Affiliate of the Chamber of Commerce for Greater Philadelphia (The Chamber), inducted Kalyana Rao Konda, President at Cigniti Technologies into its board of directors, earlier this month.

Kalyana Rao Konda (Kalyan) is the President at Cigniti. He drives business growth and ensures client success for Cigniti and wears multiple hats including operational planning, sales management, marketing, partnership alliances, customer success, designing custom solutions and ensuring great service delivery. Kalyan is a thought leader in the Quality Engineering space, has been a speaker at multiple industry forums and has a patent pending at USPTO for intelligent test scenario generation.

As a founding board member at PACT, Kalyan would work closely with PACT team to build a strong community in the region that is focused on collaboration and growth. PACT intends to become the go-to resource for fast growing companies and a driver of entrepreneurship and innovation in the Philadelphia region. Cigniti Technologies, global leader in Software Quality Engineering and Quality Assurance, has joined hands with PACT in this mission by becoming a Founding Leader of the alliance.

Speaking on this occasion, Kalyana Rao Konda, President at Cigniti Technologies, said, "I am very excited to be on the board of the PACT. I look forward to working with peer industry leaders, fellow members, and the PACT team to bring in greater collaboration, thought leadership and assist businesses and tech enthusiasts from multiple industries in the next generation trending technologies, various business models, first-hand experiences, and many more aspects of the tech-business transformation in the Philadelphia region."

"We are excited to welcome Kalyan to the PACT Board of Directors. His experience and expertise will add tremendous value to our mission and strategic goals," said Dean Miller, President and CEO of PACT. "Our Board's dedication helps PACT provide and expand top notch programs and services to strengthen and grow our entrepreneurial community inclusively by addressing access and equity," he added.
